

HALLOWEEN

Candy List 2013

*Candies listed below are considered to be gluten-free by their United States manufacturers as of the date of this posting. Celiac Disease Foundation recommends ingredient review to confirm gluten-free status as manufacturing practices may change. Consumers are advised to verify ingredients directly with the manufacturer when in doubt.

Smarties

According to their website:

"All Smarties® products are gluten-free and safe to eat for people with Celiac Disease. Furthermore, Smarties® products are manufactured in facilities that produce exclusively gluten-free candies. Smarties Gummies ingredients are gluten-free, but because they are made in a facility that processes other ingredients, they may contain traces of peanut, milk, wheat and soy and are not recommended for those with Celiac Disease."

Jelly Belly 800.522.3267

According to their website:

"Available in 90 different flavors and colors, Jelly Belly beans are fat free, peanut free, dairy free, vegetarian, free of gluten ingredients and OU Kosher certified. For more information about Jelly Belly jelly beans and Confections by Jelly Belly, please visit www.jellybelly.com."

Surf Sweets

Gummies, Sour Gummies and Jelly Beans - (All Varieties)

"Our products are both manufactured without wheat and made in a facility that is free of wheat, making them suitable for people with celiac disease or following a gluten-free diet."

Wrigley 800.WRIGLEY

Most Wrigley products, including Skittles and Starburst, are labeled "GLUTEN FREE"
