Tootsie Roll Industries 773.738.3400

According to their website:
"At this time, all of our confections are gluten free. We do not use wheat, barley, rye, oats, triticale, spelt or any of their components and that includes our dusting on our conveyor belts. We do use corn and soy products in the manufacturing of our products."

Smarties

According to their website:
"All Smarties® products are gluten-free and safe to eat for people with Celiac Disease. Furthermore, Smarties® products are manufactured in facilities that produce exclusively gluten-free candies. Smarties Gummies ingredients are gluten-free, but because they are made in a facility that processes other ingredients, they may contain traces of peanut, milk, wheat and soy and are not recommended for those with Celiac Disease."

Jelly Belly 800.522.3267

According to their website:
"Jelly Belly beans are gluten free, peanut free, dairy free, fat free, and vegetarian friendly. All Jelly Belly beans and most of our Confections are certified OU Kosher by the Orthodox Union." For more information about Jelly Belly jelly beans and Confections by Jelly Beans, visit www.jellybelly.com

Enjoy Life Foods 888.50.ENJOY

According to their website:
"Our tasty products are free-from the 'top-eight' allergens: wheat/gluten, dairy, peanuts, tree nuts, egg, soy, fish and shellfish. Products are also made without casein, potato, sesame and sulfites."

Mars 800.627.7852

According to their website:
"We will always declare the presence of any of the top allergens (peanuts, tree nuts, milk, egg, soy, wheat, fish and crustacean shellfish) whenever they are part of the recipe regardless of the source (e.g., flavors, spices, colors, other minor ingredients, etc.). The label is the best source in determining what is in the product. The ingredient listing and allergen statement provide information on ingredients that may be of concern to you."

Wrigley 800.WRIGLEY

According to their website:
"While some Wrigley products may contain gluten, the majority of our products are gluten-free. In general, we avoid using ingredients that contain gluten where they serve no functional purpose or can be replaced by gluten-free alternatives; however, ingredients and formulas may vary between regions. When the use of ingredients containing gluten is critical to the product taste experience, we follow all labeling requirements to allow our consumers to make an informed choice. We always advise consumers who are concerned about food sensitivities to read the label and check with their doctor if they have questions."
