Wrigley 800.WRIGLEY

"While some Wrigley products may contain gluten, the majority of our products are gluten-free. In general, we avoid using ingredients that contain gluten where they serve no functional purpose or can be replaced by gluten-free alternatives; however, ingredients and formulas may vary between regions. When the use of ingredients containing gluten is critical to the product taste experience, we follow all labeling requirements to allow our consumers to make an informed choice. We always advise consumers who are concerned about food sensitivities to read the label and check with their doctor if they have questions."

Gimbal's Fine Candies 888.841.9373

According to their website:
"Gimbal's candies are peanut-free, tree nut-free, gluten-free, dairy-free, soy-free and egg-free. These ingredients are responsible for countless allergic reactions across the nation. Many Gimbal's consumers have personally thanked us for making our candies available to them. We are happy to create delicious treats that can be enjoyed by so many people, including those living with food allergies."
